Welcome to Roskilde Golf Klub

We are situated in exceptionally scenic surroundings in Skjoldungernes Land, recognised for its nature conservation work and a popular destination in the region. At Roskilde Golf Klub, we actively work to improve biodiversity with a focus on nature and the environment.

Our Courses

Store Skjold is a beautiful 18-hole course with undulating terrain, several small streams and multiple lakes. Many holes are framed by groups of trees, wild hedgerows and woodland.

Skjoldungen is our 9-hole course with 6 par-3 holes and 3 par-4 holes, wide fairways and medium-sized greens built to a modern standard.

Restaurant Tee-Time and Pro Shop

Roskilde Golf Klub has a welcoming restaurant, **Restaurant Tee-Time**, where good food is served at all price levels. You will also find a Pro Shop with a wide selection of everything golf-related. It is also possible to book lessons with the club's two PGA-qualified instructors.
